12 May, 2024

STCS VIGYAN VIDUSHI 2024

A summer school for women

- Two-week summer school
- Courses on contemporary topics in theoretical computer and systems sciences
- Lectures by eminent women scientists
- Interactive mentoring sessions

The School of Technology and Computer Science (STCS) at the Tata Institute of Fundamental Research (TIFR), Mumbai is organising a summer school for women with UG or PG background in CS, EE and associated areas. The programme also aims to promote research in computer science as a career among women.

The two-week programme will consist of technical courses taught by faculty from STCS, TIFR, and will include problem-solving sessions, mentoring sessions conducted by students and faculty, and a distinguished lecture series presented by eminent women scientists.

Applications open!

Deadline: 12 May, 2024

Accommodation and support for travel and local expenses will be provided to participants.
